| 1557673 | EAN code | 5704704019447 | QTY in 40HQ | 54 |

Short Description

The GUR390W is a full-door refrigerator of 293 net liters, with reversible door and sturdy steel handle.

The refrigerator is spacious and ideal for stocking refrigerated products in any food producing company, institutions, and commercial kitchen's. The refrigerator has ventilated cooling, which ensures you a uniform temperature throughout the refrigerator and quick cooling. The fan stops automatically when opening the door so that the cold air is not blown out.

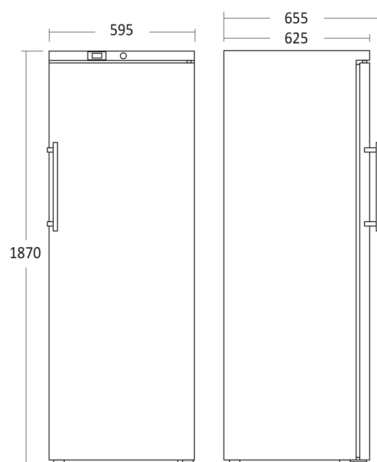

The refrigerator has coated wire shelves, with a maximum capacity of up to 30 kg.

The shelves are adjustable with 80 mm between them, which ensures great flexibility in the layout of the refrigerator

Key features

- Ventilated Cooling
- Digital controller
- Strong external stainless handle
- 4 strong coated wire shelves
- Reversible door
