Short Description

DC280BD is a large 1-door display refrigerator in black with 258 net liters of cooling space.
The display fridge is both excellent for impulse sales and highlights products in the best way.

The shelves can be adjusted in many levels, so bottles, cans and other things are stable and nicely represented in the cooler.
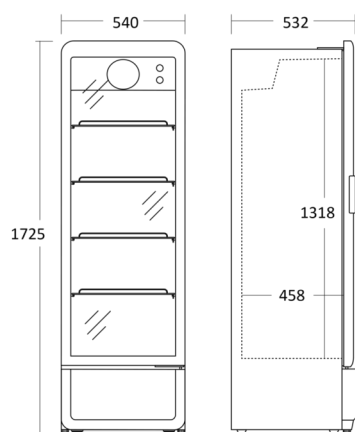

The black cabinet comes with 5 white, heavily coated wire shelves, which ensure that all types of glasses, cans and bottles are stable on the shelves.

The cabinet has 2 strong wheels, and 2 feet. With wheels on the cabinet, it is easier to move the cabinet.
