Short Description

The SD 802 BSLE is a large 2-door display refrigerator, with 690 net liters of cooling space. Comes with 8 black, heavy-duty wire shelves with wires to ensure that all types of glasses, cans and bottles are stable on the shelves. The cabinet has 8 heavy-duty wheels, so it is always possible to move it, even when it is full.

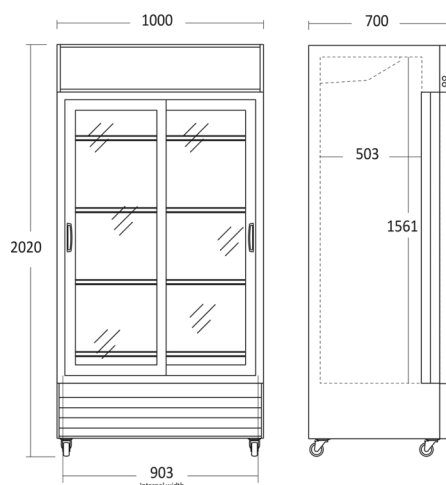

The cabinet has sliding doors with locks, so it is possible to lock the cabinet. The doors close automatically, which always minimizes temperature rises. 2 vertical energy-saving LED lights in the front provide a good light and represent the goods nicely.

The cabinet has Air Circulation System, which ensures perfectly ventilated cooling throughout the cabinet. The SD 802 BSLE is electronically controlled and has an external digital control panel, so it is easy to adjust and view the temperature inside the cabinet.

Key features

- 8 adjustable coated wire shelves
